

My family gets impatient with me. I try not to leave the house if I can help it. It's hard to communicate with people I love. I worry I am becoming more forgetful. Sometimes I don't hear sirens or alarms. I'm more isolated now. I would like to be able to read to my grandchildren. I find it difficult to keep up with conversations.

COMMUNICATION AFFECTS MORE THAN YOU THINK

Speech Language Pathologists and Audiologists
can provide diagnosis and support for a range of disorders,
from hearing loss to stroke recovery to language delay.
