

I speak but people don't hear me. I get anxious talking to new people. I bluff a lot in meetings. I don't answer the phone any more. I miss spending time with large groups. I want to tell my children bed time stories again. I miss communicating with the people I love.

COMMUNICATION AFFECTS MORE THAN YOU THINK

Speech Language Pathologists and Audiologists can provide diagnosis and support for a range of disorders, from hearing loss to stroke recovery to language delay.
