

Speech and Hearing BC Policy Statement & Procedures

I.13

AREA: Governance

SUBJECT: Selection and Term of Office Committee Chairs

POLICY:

Since the goals and terms of reference for the chairs of each committee not chaired by a PC member are determined by committee members, in consultation with their respective Committee Director, selection process and term of office should be defined by each committee.

PROCEDURE:

- Non-PC committees will be responsible for nominating and electing chairs for their respective committees.
- Term of office for chairs will be defined in the Terms of Reference for each committee.
- Each committee will ensure that democratic processes are followed in selecting chairs and terms of office.
- When a Provincial Council member is part of the committee s/he can be eligible to be the committee chair.
